Introduction to Computer Graphics DMET701
Project Proposal

Project Title:
Pacman 3D

Project Description:
A 3D Pacman clone.

Project Output:
A one player game in a 3D environment where Pacman will walk through tunnels and around walls to collect his kids then find the gate out of the maze. There are other characters trying to catch Pacman through his journey. If one of these characters touches Pacman, the game is over.

Team Memebers:
Frederic-Gerald Morcos 4-1805 E11
Marleine Mounir Daoud 4-3096 E11
Andrew Mofied Botros 4-1738 E11
